Safety Zone: Nine Keys to a Successful Accident Prevention Program

Creating a safe workplace for employees to perform their duties is essential in reducing accidents, injuries and illnesses that hurt employees and create financial liabilities for employers. Employers who emphasize safety and empower workers to take responsibility for their own and their co-workers' well-being is a sound and desirable business practice. Not only is focusing on safety the right thing for employees and their families, but it is also a real-world approach that can increase quality, loyalty, operational efficiencies and the company's overall financial performance.

The following steps can be used as a starting place to create and maintain an organization that continually identifies and analyzes its risks measured against existing controls and makes the needed improvements for the company's betterment.

1. Top management support and active leadership in safety must exist, and a [written safety policy](#) must be communicated to all employees.
2. Supervisors should be held accountable for the incidence of job-related injuries just as they are held responsible for production and quality objectives. Their performance evaluations should consider their units' safety performance.
3. Supervisors should be trained, have a solid understanding of and be responsible for the following activities:
 - [Job hazard analysis](#)
 - Regular workplace inspections
 - Accident investigation
 - Employee relations and motivational techniques
 - Costs of accidents on production and company profits
 - Safety rules and procedures
 - Work closely with HR to return injured workers to productive activity within the medical restrictions assigned by the treating physician until they are released to full duty or otherwise released from medical care

Supervisors and reliable employees should be included in the rule and procedure-making process to ensure that correct data reflects actual working environments and conditions and ensures buy-in from all workers.

4. Effective training, particularly of new employees, is critical. In some industries, it is estimated that new employees (less than six months on the job) account for 30% of all injuries. Poor work habits or unsafe behavior should be corrected immediately. A formal system of disciplining employees for unsafe behavior is recommended; however, only after determining why an employee acted unsafely ([root cause analysis](#)).
 - Highlight safety in all phases of the hiring process and integrate safe behavior into job training, starting on day one
 - Make sure that leaders are continually emphasizing safety as a top priority and that it is integrated into all job functions
 - Keep training relevant by aligning it with actual workplace hazards and conditions (see Job Hazard Analysis in 3)
 - Train employees when new procedures are introduced
 - Train employees when safety performance is not meeting objectives, and lack of understanding is identified
 - Train employees on the hazards of chemicals and proper controls using Safety Data Sheets available from the supplier or manufacturer
 - Contact your workers' compensation insurance carrier to see what [training resources](#) are available to you as a policyholder

5. Establish a safety committee that includes top management, front-line supervisors and production personnel. Safety committees must discuss accidents, solutions, hazards and their correction. They must be focused on priorities, and management should make every effort to implement the solutions they offer. Meetings should have set agendas to avoid them becoming “gripe sessions.”

6. Accidents can still occur, so therefore it is necessary to have post-accident procedures in place:

- Proper first aid training, supplies and emergency medical response communication numbers/procedures posted and easily accessed
- Prompt and thorough accident investigation
- Prompt claims reporting to your insurance company
- A return-to-work program

7. The importance of having proper hiring procedures in place cannot be overstated. All those involved in the selection and interviewing of job candidates should have a thorough understanding of the various hiring stages and what inquiries may legally be made in each stage to be confident that the new hire is physically able to perform the work and will adhere to the company's safety and other requirements. Additionally, to ensure that you know you have properly obtained information about any pre-existing medical conditions or disabilities being brought into the workplace. Applicable employment laws will guide this important step. The employer should seek human resource experts and/or legal counsel to confirm they are complying with the many local, state and federal laws that may apply.

8. Actively solicit, encourage and act on employees' concerns, safety suggestions and ideas.

9. An incentive program might be adopted to motivate improved performance in safety. However, a program should only be implemented after the other elements of your safety program are in place and working. Any incentive program should be meaningful and fair, and it should be evaluated periodically to ensure that it is effective and producing the desired effect. A common complaint about incentive programs is that they tend to suppress reporting of incidents and injuries—something you certainly want to avoid.

Safety Zone: Risk Transfer and Certificates of Insurance

What is Risk Transfer?

Risk transfer is a risk control plan of action or strategy that contractually shifts the risk of doing business from one party to another. An example of this would be a property owner who hires a contractor to provide services for his building rather than hiring his own staff of repair personnel. By doing this, the property owner transfers the risk of potential claims or losses onto the contracting firm hired.

The question now is – what should this property owner request from the contractor hired to ensure that the risk is properly transferred to the contractor? At a minimum, a written agreement that the property owner be included as an Additional Insured on the contractor's own insurance policy and that a Certificate of Insurance (COI) be provided from the contractor's insurer or insurance agent. It should also include that the contractor's insurance for the owner is primary and non-contributory. It is strongly recommended the written contract between the two parties include an indemnification clause that specifies the contractor agrees to hold the property owner harmless, thereby eliminating the risk of the owner's liability for the contractor's operations. When permitted, such terms should also be included within the Additional Insured endorsement.

What is a Certificate of Insurance?

A Certificate of Insurance is a document used to provide information regarding specific insurance coverage held by an individual organization. This COI provides verification of the individual organization's insurance coverage, lines of coverage and limits of coverage. It provides the name of the insurance company, the policy number(s), the named insured and the policies' effective dates. As a caution, this document is merely a "snapshot in time" – a representation of a single point in time that is issued by the other party.

Though uncommon, a Certificate of Insurance may be potentially fraudulent. The COI should come directly from the other party's agent or insurance carrier rather than from the subcontractor or vendor. The party hiring the vendor or subcontractor should ensure that the name of the insured on the COI exactly matches the name of the vendor or subcontractor hired.

Certificates of Insurance are not enough to protect the assets of a company. To ensure they are properly covered, property owners should have a contract developed between themselves and the vendor or subcontractor hired.

Contractual Risk Transfer – Redefined

A contractual risk transfer is a non-insurance *contract and/or agreement* between the two parties whereby one agrees to hold another party harmless for specified actions, inactions, injuries or damages and indemnify the owner. A well-drafted risk transfer agreement is one of the most effective ways to ensure risk of loss is properly allocated to the party that both creates the risk and has the ability to control that risk.

All contracts and/or agreements should be formalized as a written contract developed by legal counsel, as the use of the property owner's legal counsel is key to ensuring that liability is adequately controlled. The contract wording should include:

- **Hold Harmless Agreement:** A clause in the contract that releases one party from consequences or liabilities due to the act of the other party. It is important to note that hold harmless agreements work both ways – and you need to ensure that this agreement is in your favor.
- **Indemnification:** An indemnity agreement ensuring that proper compensation is available for losses or damage.
- **Waiver of Subrogation:** An endorsement that prohibits an insurance carrier from recovering the money they paid on a claim from a third party that may be negligent.
- **Primary and Noncontributory Requirement:** An inclusive contractual requirement that requires the vendor's or subcontractor's policy to pay before other applicable primary policies and without seeking contribution from other available insurance.
- **Additional Insured Status:** The vendor or subcontractor is required to endorse the property owner onto its general liability policy as an "Additional Insured."

AGENCY CUSTOMER ID: _____

AGENCY KAI Midwest Risk Partners, LLC (VIP)	CARRIER Wesco Insurance Company	NAIC CODE 25011
POLICY NUMBER WBP2073420 00	APPLICANT / NAMED INSURED Cape Wiggy	

POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from acts of terrorism. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

YOU SHOULD KNOW THAT WHERE COVERAGE IS PROVIDED BY THIS POLICY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM, SUCH LOSSES MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THE FORMULA, THE UNITED STATES GOVERNMENT GENERALLY REIMBURSES 85% THROUGH 2015; 84% BEGINNING ON JANUARY 1, 2016; 83% BEGINNING ON JANUARY 1, 2017; 82% BEGINNING ON JANUARY 1, 2018; 81% BEGINNING ON JANUARY 1, 2019 and 80% BEGINNING ON JANUARY 1, 2020, OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS THAT MAY BE COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A \$100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS \$100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED \$100 BILLION, YOUR COVERAGE MAY BE REDUCED.

In this state, a terrorism exclusion makes an exception for (and thereby provides coverage for) fire losses resulting from an act of terrorism. Therefore, if you reject this offer of terrorism coverage, that rejection does not apply to fire losses resulting from an act of terrorism. Coverage for such fire losses will be provided in your policy. The additional premium just for such fire coverage is stated below. If you reject the offer described above for terrorism coverage, this premium is due.

Acceptance or Rejection of Terrorism Insurance Coverage

- I hereby elect to purchase terrorism coverage for a prospective premium of \$ 2.00 .
- I hereby decline to purchase terrorism coverage for certified acts of terrorism. I understand that an **exclusion** of certain terrorism losses will be made part of the policy.
If you decline this offer, the premium for terrorism (fire only) coverage is \$ 1.00 .

4/1/2025

Dear Policyholder,

In an effort to continue to provide AmTrust customers with a variety of billing options, we have updated our fee structure to help customers meet payment due dates, ensure that valid and properly funded payments are submitted, and provide an incentive for paid-in-full options.

Our updated fee structure is as follows:

Fee Title	Fee Amount	Description
Returned Payment Fee	\$25	A returned payment fee applied to any returned payment.
Late Fee	\$20	Late fee applied if payment not received on or before payment due date.
Installment Fee	\$15	A "paper" billing fee that is assessed for each mailed installment invoice. Excludes down payment and annual payment plans. Fee is billed at the account level.
Reinstatement Fee	\$50	Fee applied upon reinstatement of a non-payment cancellation.
EFT Fee	\$3	An "electronic" billing fee that is assessed for each ACH Direct Debit transaction. Fee is billed at the account level.

*Fee amount may vary by state and program of business

For policyholders who choose to pay their annual premium on installments, we plan to implement an installment fee, which will be displayed on your renewal invoice.

Thank you for your attention to this fee structure change. If you have any questions, feel free to contact our Customer Service Department at 877.528.7878.

We value you as a policyholder and appreciate the opportunity to serve you.

Sincerely,

MISSOURI CHANGES

This endorsement modifies insurance provided under the following:

BUSINESS OWNERS COVERAGE FORM

A. Section I – Property is amended as follows:

1. The following exclusion and related provisions are added to Paragraph **B.2. Exclusions**:
 - a. We will not pay for loss or damage arising out of any act an insured commits or conspires to commit with the intent to cause a loss.

In the event of such loss, no insured is entitled to coverage, even insureds who did not commit or conspire to commit the act causing the loss.
 - b. However, this exclusion will not apply to deny coverage to an innocent coinsured who did not cooperate in or contribute to the creation of the loss, provided the loss is otherwise covered under this policy and the loss arose out of domestic violence. Such coverage will be provided only if the innocent coinsured files a police report and completes a sworn affidavit indicating both:
 - (1) The cause of the loss; and
 - (2) A pledge to cooperate in any criminal prosecution of the person committing the act causing the loss.
 - c. If we pay a claim pursuant to Paragraph **A.1.b.**, our payment to the innocent coinsured will be limited to that insured's ownership interest in the property as reduced by any payment to a mortgagee or other secured interest; however, we shall not be required to make any subsequent payment for any loss for which the innocent coinsured has received payment. In no event will we pay more than the Limit of Insurance.

2. Paragraph **A.5. Additional Coverages** is amended as follows:

The following is added to Paragraph **a.(1) Debris Removal** and Paragraph **h. Pollutant Clean Up And Removal** and relates only to the requirement to report expenses to us within 180 days of the specified occurrence:

If you fail to report the expenses to us within the 180-day timeframe, such failure will not invalidate a claim under this coverage unless such failure operates to prejudice our rights.

3. Paragraph **E. Property Loss Conditions** is amended as follows:

a. Paragraph **2. Appraisal** is replaced by the following:

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser and notify the other of the appraiser selected within 20 days of the written demand for appraisal. The two appraisers will select an umpire. If they cannot agree upon an umpire within 15 days, we or you may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. The umpire shall make an award within 30 days after the umpire receives the appraisers' submissions of their differences. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

- b.** Paragraph **4. Legal Action Against Us** is replaced by the following:

4. Legal Action Against Us

No one may bring a legal action against us under this insurance unless:

- a.** There has been full compliance with all of the terms of this insurance; and
- b.** The action is brought within 10 years after the date on which the direct physical loss or damage occurred.

- c.** Subparagraphs **6.a. and 6.b. Loss Payment** are replaced by the following:

- a.** In the event of partial loss or damage to Covered Property, that is caused by or results from fire, and is covered by this policy, at your option, we will either:

- (1)** Pay you an amount of money equal to the damage done; or
- (2)** Repair the damage, so that the property is in as good a condition as before the fire.

But we will not pay more than the Limit of Insurance.

- b.** In the event of any loss or damage covered by this policy, we will give you notice, within 15 working days after we receive a properly executed proof of loss, that we:

- (1)** Accept your claim;
- (2)** Deny your claim; or
- (3)** Need more time to determine whether your claim should be accepted or denied.

If we deny your claim, such notice will be in writing, and will state any policy provision, condition or exclusion used as a basis for the denial.

If we need more time to determine whether your claim should be accepted or denied, the written notice will state the reason(s) why more time is needed.

If we have not completed our investigation, we will notify you again in writing, within 45 days after the date the initial notice is sent as provided in **b.(3)**, and thereafter every 45 days. The written notice shall state why more time is needed to investigate your claim.

- d.** The following is added to Paragraph **6.** of the **Loss Payment** Property Loss Conditions:

When the Replacement Cost Coverage applies, the following is added with respect to such coverage, and relates only to the requirement to notify us of your intent to submit an additional claim (for the difference between actual cash value and replacement cost) to us within 180 days after the loss or damage occurs:

If you fail to notify us of your intent to submit the additional claim to us within the 180-day timeframe, such failure will not invalidate that claim, unless such failure operates to prejudice our rights.

B. Section II – Liability is amended as follows:

- 1.** Subparagraph **A.2.a.(3)(b) Medical Expenses** is replaced by the following:

- (b)** The expenses are incurred and reported within one year of the date of the accident. However, expenses reported to us after one year of the date of the accident will not be denied solely because of the late submission, unless such late submission operates to prejudice our rights; and

C. Section III – Common Policy Conditions is amended as follows:

- 1.** Paragraph **A.2. Cancellation** is replaced by the following:

- 2.** We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:

- a.** 10 days before the effective date of cancellation if we cancel for nonpayment of premium;

- b.** 30 days before the effective date of cancellation if cancellation is for one or more of the following reasons:

- (1)** Fraud or material misrepresentation affecting this policy or a claim filed under this policy or a violation of any of the terms or conditions of this policy;

- (2)** Changes in conditions after the effective date of this policy which have materially increased the risk assumed;

- (3)** We become insolvent; or

- (4) We involuntarily lose reinsurance for this policy.
 - c. 60 days before the effective date of cancellation if we cancel for any other reason.
2. Paragraph **H. Other Insurance** is replaced by the following:
- We shall not be liable for a greater proportion of any loss than the amount hereby insured shall bear to the whole insurance covering the property against the peril involved, whether collectible or not.
3. The following is added to Paragraph **K. Transfer Of Rights Of Recovery Against Others To Us:**
- If we pay an innocent coinsured for loss arising out of an act of domestic violence by another insured, the rights of the innocent coinsured to recover damages from the abuser are transferred to us to the extent of our payment. Following the loss the innocent coinsured may not waive such rights to recover against the abuser.
4. Paragraph **L. Transfer Of Your Rights And Duties Under This Policy** is replaced by the following:

1. Transfer By Beneficiary Deed

If you convey real property insured under this policy to a person (known as a grantee beneficiary) designated under a beneficiary deed, which has been properly recorded prior to your death, that person will have your rights and duties with respect to the insured real property, but only for the period from the date of your death until the first of the following occurs:

- a. A period of 30 days from the date of your death;
- b. The date that alternative coverage is obtained on your property; or
- c. The end of the policy period as shown in the Declarations.

2. Transfer By Other Means Following Death

If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties, but only with respect to that property. Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured.

5. The following paragraph is added and supersedes any provision to the contrary:

M. Nonrenewal

- a. We may elect not to renew this policy by mailing or delivering to the first Named Insured, at the last mailing address known to us, written notice of nonrenewal, stating the actual reason for nonrenewal, at least sixty days prior to the effective date of the nonrenewal.
- b. If notice is mailed, proof of mailing will be sufficient proof of notice.

- D. The following is added to the Businessowners Coverage Form:

MISSOURI PROPERTY AND CASUALTY INSURANCE GUARANTY ASSOCIATION COVERAGE LIMITATIONS

- 1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.
- 2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:

- a.** Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer, if the insured has a net worth of more than \$25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.
- b.** Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000. However, the Association will not:
 - (1)** Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises; or
 - (2)** Return to an insured any unearned premium in excess of \$25,000.

These limitations have no effect on the coverage we will provide under this policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EQUIPMENT BREAKDOWN COVERAGE

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

Section I – Property is amended as follows:

A. The following is added to Paragraph A.3. Covered Causes of Loss in Section I – Property:

Additional Coverage – Equipment Breakdown

The term Covered Cause of Loss includes the Additional Coverage Equipment Breakdown as described and limited below.

1. We will pay for direct physical damage to Covered Property that is the direct result of an "accident." As used in this Additional Coverage, "accident" means a fortuitous event that causes direct physical damage to "covered equipment." The event must be one of the following:
 - a. mechanical breakdown, including rupture or bursting caused by centrifugal force;
 - b. artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires;
 - c. explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;
 - d. loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or
 - e. loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.

2. Unless otherwise shown in a Schedule, the following coverages also apply to the direct result of an "accident." These coverages do not provide additional amounts of insurance.

a. Expediting Expenses

With respect to your damaged Covered Property, we will pay the reasonable extra cost to:

- (1) make temporary repairs; and
- (2) expedite permanent repairs or permanent replacement.

The most we will pay for loss or expense under this coverage is \$25,000 unless otherwise shown in a Schedule.

b. Hazardous Substances

We will pay for the additional cost to repair or replace Covered Property because of contamination by a "hazardous substance." This includes the additional expenses to clean up or dispose of such property.

This does not include contamination of "perishable goods" by refrigerant, including but not limited to ammonia, which is addressed in 2.c.(1)(b) below. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no "hazardous substance" been involved.

The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, is \$25,000 unless otherwise shown in a Schedule.

c. Spoilage

- (1) We will pay:
- (a) for physical damage to "perishable goods" due to spoilage;
 - (b) for physical damage to "perishable goods" due to contamination from the release of refrigerant, including but not limited to ammonia;
 - (c) any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.
- (2) If you are unable to replace the "perishable goods" before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the "perishable goods" at the time of the "accident," less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Loss Payment condition.

The most we will pay for loss, damage or expense under this coverage is \$25,000 unless otherwise shown in a Schedule.

d. Data Restoration

We will pay for your reasonable and necessary cost to research, replace and restore lost "electronic data."

The most we will pay for loss or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, is \$25,000 unless otherwise shown in a Schedule.

e. Service Interruption

- (1) Any insurance provided for Business Income, Extra Expense or Spoilage is extended to apply to your loss, damage or expense caused by the interruption of utility services. The interruption must result from an "accident" to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, wide area networks or data transmission. The equipment must meet the definition of "covered equipment" except that it is not Covered Property.
- (2) We will not pay for any loss of Business Income you sustain that results from the interruption of utility services during the first 24 hours following the "accident." However, if a deductible is shown in a Schedule as provided for in paragraph C. below, or if the "period of restoration" begins more than 24 hours after the time of the direct physical damage for Business Income, then that deductible or time period will apply instead of the 24 hours provided for in this paragraph.
- (3) The most we will pay in any "one accident" for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense or Spoilage, except that if a limit is shown in a Schedule for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

f. Business Income and Extra Expense

Any insurance provided under this policy for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a Schedule, then as respects Equipment Breakdown coverage, the "period of restoration" will begin immediately after the "accident," and the deductible shown in the Schedule will apply.

The most we will pay for loss or expense under this coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a Schedule.

B. The following is added to Paragraph B. Exclusions:

Equipment Breakdown Exclusions

All exclusions in the Businessowners Coverage Form apply except as modified below and to the extent that coverage is specifically provided by this Additional Coverage Equipment Breakdown.

1. The following exclusions are modified:

- a. The following is added to Exclusion B.1.g.:

However, if electrical “covered equipment” requires drying out because of Water as described in g.(1) through g.(3) above, we will pay for the direct expenses of such drying out subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies.

- b. As respects this endorsement only, the next to the last paragraph in Exclusion B.1.h. is deleted and replaced with the following:

However, if excluded loss or damage, as described in Paragraph (1) above results in an “accident,” we will pay only for the loss, damage or expense caused by such “accident.”

- c. As respects this endorsement only, the last paragraph of Exclusion B.2.l. is deleted and replaced with the following:

But if an excluded cause of loss that is listed in 2.l.(1) through (7) results in an “accident,” we will pay for the loss, damage or expense caused by that “accident.”

- d. The following is added to Exclusions B.2.m. and B.2.n.:

We will also pay for direct physical loss or damage caused by an “accident.”

2. The following exclusions are added:

- a. We will not pay for loss, damage or expense caused by or resulting from:

(1) a hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment; or

(2) any of the following:

(a) defect, programming error, programming limitation, computer virus, malicious code, loss of data, loss of access, loss of use, loss of functionality or other condition within or involving “electronic data” of any kind; or

(b) misalignment, miscalibration, tripping off-line, or any condition which can be corrected by resetting, tightening, adjusting or cleaning, or by the performance of maintenance.

However, if an “accident” results, we will pay for the resulting loss, damage or expense caused by that “accident.”

- b. With respect to Service Interruption coverage, we will also not pay for an “accident” caused by or resulting from: fire; lightning; windstorm or hail; explosion (except as specifically provided in A.1.c. above); smoke; aircraft or vehicles; riot or civil commotion; vandalism; sprinkler leakage; falling objects; weight of snow, ice or sleet; freezing; collapse; flood or earth movement.

- c. With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for:

(1) loss caused by your failure to use due diligence and dispatch and all reasonable means to resume business; or

(2) any increase in loss resulting from an agreement between you and your customer or supplier.

- d. We will not pay for any loss or damage to animals.

C. DEDUCTIBLES

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a Schedule. If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision D. Deductibles is deleted and replaced with the following:

1. Deductibles for Each Coverage

- a. Unless the Schedule indicates that your deductible is combined for all coverages, multiple deductibles may apply to any “one accident.”
- b. We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that

coverage in the Schedule. We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.

- c. If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one accident," only the highest deductible for each coverage will apply.

2. Direct and Indirect Coverages

- a. Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the Schedule.
- b. Unless more specifically indicated in the Schedule:
 - (1) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
 - (2) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

3. Application of Deductibles

a. Dollar Deductibles

We will not pay for loss, damage or expense resulting from any "one accident" until the amount of loss, damage or expense exceeds the applicable Deductible shown in the Schedule. We will then pay the amount of loss, damage or expense in excess of the applicable Deductible or Deductibles, up to the applicable Limit of Insurance.

b. Time Deductible

If a time deductible is shown in the Schedule, we will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident." If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

c. Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the "accident" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the "period of restoration".

The number indicated in the Schedule will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

d. Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

D. CONDITIONS

The following conditions are in addition to the Conditions in the Businessowners Coverage Form.

1. Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" to that "covered equipment." This can be done by mailing or delivering a written notice of suspension to:

- a. your last known address; or
- b. the address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment." If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

2. Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

3. Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident," we will pay your additional cost to replace with equipment that is better for the environment, safer or more efficient than the equipment being replaced.

However, we will not pay more than 125% of what the cost would have been to replace with like kind and quality. This condition does not increase any of the applicable limits. This condition does not apply to any property to which Actual Cash Value applies.

4. Coinsurance

If a coinsurance percentage is shown in a Schedule for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

E. The following definitions are added:

1. "Boilers and vessels"

- a. Any boiler, including attached steam, condensate and feedwater piping; and
- b. Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.

This term does not appear elsewhere in this endorsement, but may appear in a Schedule.

2. "Covered equipment"

- a. "Covered equipment" means, unless otherwise specified in a Schedule, Covered Property:
 - (1) that generates, transmits or utilizes energy, including electronic communications and data processing equipment; or
 - (2) which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.
- b. None of the following is "covered equipment":
 - (1) structure, foundation, cabinet, compartment or air supported structure or building;
 - (2) insulating or refractory material;
 - (3) sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;
 - (4) water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;
 - (5) "vehicle" or any equipment mounted on a "vehicle";
 - (6) satellite, spacecraft or any equipment mounted on a satellite or spacecraft;
 - (7) dragline, excavation or construction equipment; or
 - (8) equipment manufactured by you for sale.

3. "Hazardous substance"

"Hazardous substance" means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.

4. "One accident" means: If an initial "accident" causes other "accidents," all will be considered "one accident." All "accidents" that are the result of the same event will be considered "one accident."
5. "Perishable goods" means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.
6. "Production machinery" means any machine or apparatus that processes or produces a product intended for eventual sale. This includes all component parts of such machine or apparatus.
This term does not appear elsewhere in this endorsement, but may appear in a Schedule.
7. "Vehicle" means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to, car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.
However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle."

The most we will pay for loss, damage or expense under this endorsement arising from any "one accident" is the applicable Limit of Insurance in the Declarations unless otherwise shown in a Schedule. Coverage provided under this endorsement does not provide an additional amount of insurance.

- d. Land (including land on which the property is located), water, growing crops or lawns;
- e. Outdoor fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants, all except as provided in the:
 - (1) Outdoor Property Coverage Extension; or
 - (2) Outdoor Signs Optional Coverage;
- f. Watercraft (including motors, equipment and accessories) while afloat;
- g. Accounts, bills, food stamps, other evidences of debt, accounts receivable or "valuable papers and records"; except as otherwise provided in this policy;
- h. "Computer(s)" which are permanently installed or designed to be permanently installed in any aircraft, watercraft, motortruck or other vehicle subject to motor vehicle registration. This paragraph does not apply to "computer(s)" while held as "stock";
- i. "Electronic Data", except as provided under Additional Coverages – Electronic Data. This Paragraph i. does not apply to your "stock" of prepackaged software.

3. Covered Causes Of Loss

Risks of direct physical loss unless the loss is:

- a. Excluded in Paragraph **B**. Exclusions in Section I; or
- b. Limited in Paragraph **4**. Limitations in Section I.

4. Limitations

- a. We will not pay for loss of or damage to:

- (1) Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
- (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
- (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property. This limitation does not apply to the Optional Coverage for Money and Securities.
- (4) Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
- (5) The interior of any building or structure caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (a) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- b. We will not pay for loss of or damage to fragile articles such as glassware, statuary, marble, chinaware and porcelain, if broken, unless caused by the "specified causes of loss" or building glass breakage. This restriction does not apply to:
 - (1) Glass that is part of the exterior or interior of a building or structure;
 - (2) Containers of property held for sale; or
 - (3) Photographic or scientific instrument lenses.
- c. For loss or damage by theft, the following types of property are covered only up to the limits shown:
 - (1) \$2,500 for furs, fur garments and garments trimmed with fur.

- (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
- (3) \$2,500 for patterns, dies, molds and forms.

5. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Extract "pollutants" from land or water; or
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to Paragraph (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
 - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

Example #1

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 50,000
Amount of Loss Payable	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example #2

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 80,000
Amount of Loss Payable	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense	\$ 30,000
Debris Removal Expense Payable	
Basic Amount	\$ 10,500
Additional Amount	\$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500). The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500, unless a different limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

d. Collapse

- (1) With respect to buildings:

(a) Collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose;

(b) A building or any part of a building that is in danger of falling down or caving in is not considered to be in a state of collapse;

(c) A part of a building that is standing is not considered to be in a state of collapse even if it has separated from another part of the building; and

(d) A building that is standing or any part of a building that is standing is not considered to be in a state of collapse even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

(2) We will pay for direct physical loss or damage to Covered Property, caused by collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if the collapse is caused by one or more of the following:

- (a) The "specified causes of loss" or breakage of building glass, all only as insured against in this policy;
- (b) Decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- (c) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- (d) Weight of people or personal property;
- (e) Weight of rain that collects on a roof; or
- (f) Use of defective material or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation. However, if the collapse occurs after construction, remodeling or renovation is complete and is caused in part by a cause of loss listed in Paragraphs (a) through (e), we will pay for the loss or damage even if use of defective material or methods in construction, remodeling or renovation, contributes to the collapse.

The criteria set forth in Paragraphs **(1)(a)** through **(1)(d)** do not limit the coverage otherwise provided under this Additional Coverage for the causes of loss listed in Paragraphs **(2)(a)**, **(2)(d)** and **(2)(e)**.

- (3)** With respect to the following property:
- (a)** Awnings;
 - (b)** Gutters and downspouts;
 - (c)** Yard fixtures;
 - (d)** Outdoor swimming pools;
 - (e)** Piers, wharves and docks;
 - (f)** Beach or diving platforms or appurtenances;
 - (g)** Retaining walls; and
 - (h)** Walks, roadways and other paved surfaces;

if the collapse is caused by a cause of loss listed in Paragraphs **(2)(b)** through **(2)(f)**, we will pay for loss or damage to that property only if such loss or damage is a direct result of the collapse of a building insured under this policy and the property is Covered Property under this policy.

- (4)** If personal property abruptly falls down or caves in and such collapse is not the result of collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- (a)** The collapse was caused by a cause of loss listed in Paragraphs **(2)(a)** through **(2)(f)** of this Additional Coverage;
- (b)** The personal property which collapses is inside a building; and
- (c)** The property which collapses is not of a kind listed in Paragraph **(3)** above, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **(4)** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

Collapse of personal property does not mean cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (5)** This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this policy.

e. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage; but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1)** Results in discharge of any substance from an automatic fire protection system; or
- (2)** Is directly caused by freezing.

f. Business Income

(1) Business Income

- (a)** We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (i)** The portion of the building which you rent, lease or occupy; and
- (ii)** Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

(b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.

(c) Business Income means the:

- (i)** Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
- (ii)** Continuing normal operating expenses incurred, including payroll.

(d) Ordinary payroll expenses:

- (i)** Mean payroll expenses for all your employees except:
 - i. Officers;
 - ii. Executives;
 - iii. Department Managers;
 - iv. Employees under contract; and
 - v. Additional Exemptions shown in the Declarations as:
 - Job Classifications; or
 - Employees.

(ii) Include:

- i. Payroll;
- ii. Employee benefits, if directly related to payroll;
- iii. FICA payments you pay;
- iv. Union dues you pay; and
- v. Workers' compensation premiums.

(2) Extended Business Income

(a) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and

(ii) Ends on the earlier of:

- i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
- ii. 30 consecutive days after the date determined in Paragraph **(a)(i)** above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

(b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

(a) The partial slowdown or complete cessation of your business activities; or

(b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

(4) This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

g. Extra Expense

(1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (a) The portion of the building which you rent, lease or occupy; and
- (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

(2) Extra Expense means expense incurred:

- (a) To avoid or minimize the suspension of business and to continue "operations":
 - (i) At the described premises; or
 - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
- (b) To minimize the suspension of business if you cannot continue "operations".
- (c) To:
 - (i) Repair or replace any property; or
 - (ii) Research, replace or restore the lost information on damaged "valuable papers and records"

to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

(a) The partial slowdown or complete cessation of your business activities; or

(b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

(4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

h. Pollutant Clean Up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

i. Civil Authority

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss.

The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for necessary Extra Expense will begin immediately after the time of that action and ends:

- (1) 3 consecutive weeks after the time of that action; or

- (2) When your Business Income coverage ends;
whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

j. Money Orders And "Counterfeit Money"

We will pay for loss resulting directly from your having accepted in good faith, in exchange for merchandise, "money" or services:

- (1) Money orders issued by any post office, express company or bank that are not paid upon presentation; or
(2) "Counterfeit money" that is acquired during the regular course of business.

The most we will pay for any loss under this Additional Coverage is \$1,000.

k. Forgery Or Alteration

- (1) We will pay for loss resulting directly from forgery or alteration of, any check, draft, promissory note, bill of exchange or similar written promise of payment in "money", that you or your agent has issued, or that was issued by someone who impersonates you or your agent.
(2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.
(3) For the purpose of this coverage, check includes a substitute check as defined in the Check Clearing for the 21st Century Act, and will be treated the same as the original it replaced.
(4) The most we will pay for any loss, including legal expenses, under this Additional Coverage is \$2,500, unless a higher Limit of Insurance is shown in the Declarations.

I. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings insured on a replacement cost basis.

(2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in Paragraphs (3) through (9) of this Additional Coverage.

- (3) The ordinance or law referred to in Paragraph (2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.
(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
(a) You were required to comply with before the loss, even when the building was undamaged; and
(b) You failed to comply with.
(5) Under this Additional Coverage, we will not pay for:
(a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet or dry rot or bacteria; or
(b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "pollutants", "fungi", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under Section I – Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment Property Loss Condition in Section I – Property do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in Paragraph (6) of this Additional Coverage, is not subject to such limitation.

m. Business Income From Dependent Properties

- (1) We will pay for the actual loss of Business Income you sustain due to physical loss or damage at the premises of a dependent property caused by or resulting from any Covered Cause of Loss.

However, this Additional Coverage does not apply when the only loss to dependent property is loss or damage to "electronic data", including destruction or corruption of "electronic data". If the dependent property sustains loss or damage to "electronic data" and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit of Insurance is indicated in the Declarations.

- (2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:
 - (a) Source of materials; or
 - (b) Outlet for your products.
- (3) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.
- (4) Dependent property means property owned by others whom you depend on to:
 - (a) Deliver materials or services to you, or to others for your account. But services does not mean water, communication or power supply services;
 - (b) Accept your products or services;
 - (c) Manufacture your products for delivery to your customers under contract for sale; or
 - (d) Attract customers to your business.

The dependent property must be located in the coverage territory of this policy.
- (5) The coverage period for Business Income under this Additional Coverage:
 - (a) Begins 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the dependent property; and
 - (b) Ends on the date when the property at the premises of the dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.

- (6) The Business Income coverage period, as stated in Paragraph (5), does not include any increased period required due to the enforcement of any ordinance or law that:
 - (a) Regulates the construction, use or repair, or requires the tearing down of any property; or

- (b)** Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not reduce the Business Income coverage period.

- (7)** The definition of Business Income contained in the Business Income Additional Coverage also applies to this Business Income From Dependent Properties Additional Coverage.

n. Glass Expenses

- (1)** We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- (2)** We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

o. Fire Extinguisher Systems Recharge Expense

- (1)** We will pay:
- (a)** The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and
- (b)** For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.
- (2)** No coverage will apply if the fire extinguishing system is discharged during installation or testing.
- (3)** The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

p. Electronic Data

- (1)** Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.
- (2)** The Covered Causes of Loss applicable to Business Personal Property include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.
- (3)** The most we will pay under this Additional Coverage – Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

q. Interruption Of Computer Operations

- (1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.
- (2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
 - (a) Coverage under this Additional Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.
 - (b) If the Businessowners Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.
 - (c) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.
- (3) The most we will pay under this Additional Coverage – Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (4) This Additional Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.
- (5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- (6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.

r. Limited Coverage For "Fungi", Wet Rot, Dry Rot And Bacteria

- (1) The coverage described in Paragraphs r.(2) and r.(6) only applies when the "fungi", wet or dry rot or bacteria are the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

- (2) We will pay for loss or damage by "fungi", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
- (a) Direct physical loss or damage to Covered Property caused by "fungi", wet or dry rot or bacteria, including the cost of removal of the "fungi", wet or dry rot or bacteria;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet or dry rot or bacteria; and
 - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet or dry rot or bacteria are present.
- (3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet or dry rot or bacteria, we will not pay more than the total of \$15,000 even if the "fungi", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
- (4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.
- If there is covered loss or damage to Covered Property, not caused by "fungi", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.
- (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.
- (6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage.
- (a) If the loss which resulted in "fungi", wet or dry rot or bacteria does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet or dry rot or bacteria, then our payment under the Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - (b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet or dry rot or bacteria, but remediation of "fungi", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

- (b) If, at the time of loss, the Limit of Insurance applicable to the lost or damaged property is less than 80% of the full replacement cost of the property immediately before the loss, we will pay the greater of the following amounts, but not more than the Limit of Insurance that applies to the property:
- (i) The actual cash value of the lost or damaged property; or
 - (ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.
- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.
- (d) We will not pay on a replacement cost basis for any loss or damage:
- (i) Until the lost or damaged property is actually repaired or replaced; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.
- However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraphs d.(1)(a) and d.(1)(b) above whether or not the actual repair or replacement is complete.
- (e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- (2) If the "Actual Cash Value – Buildings" option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.
- (3) The following property at actual cash value:
- (a) Used or second-hand merchandise held in storage or for sale;
 - (b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;

- (c) Household contents, except personal property in apartments or rooms furnished by you as landlord;
- (d) Manuscripts; and
- (e) Works of art, antiques or rare articles, including etchings, pictures, statuary, marble, bronzes, porcelain and bric-a-brac.
- (4) Glass at the cost of replacement with safety glazing material if required by law.
- (5) Tenants' Improvements and Betterments at:
 - (a) Replacement cost if you make repairs promptly.
 - (b) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- (c) Nothing if others pay for repairs or replacement.
- (6) Applicable only to the Optional Coverages:
 - (a) "Money" at its face value; and
 - (b) "Securities" at their value at the close of business on the day the loss is discovered.
- (7) Applicable only to Accounts Receivable:
 - (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
 - (i) We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and
 - (ii) We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
 - (b) The following will be deducted from the total amount of accounts receivable, however that amount is established:
 - (i) The amount of the accounts for which there is no loss or damage;
 - (ii) The amount of the accounts that you are able to re-establish or collect;
 - (iii) An amount to allow for probable bad debts that you are normally unable to collect; and
 - (iv) All unearned interest and service charges.
 - (e) Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
 - (f) We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
 - (g) We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy, and
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

6. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance of Section I – Property.

7. Resumption Of Operations

We will reduce the amount of your:

- a. Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- b. Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

8. Vacancy

 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or

(Refer to Paragraph B. in this endorsement.)	
NOTE: The premium above is for certain losses resulting from certified acts of terrorism as covered pursuant to coverage provisions, limitations and exclusions in this policy. You should read the definition in your policy carefully, but generally speaking, "certified" acts of terrorism are acts that exceed \$5 million in aggregate losses to the insurance industry and which are subsequently declared by the U.S. Secretary of the Treasury as a certified terrorist act under the Terrorism Risk Insurance Act. Some losses resulting from certified acts of terrorism are not covered. Read your policy and endorsements carefully.	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

B. Disclosure Of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part II of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

EXCLUSION OF CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

BUSINESS OWNERS COVERAGE FORM

SCHEDULE

The Exception Covering Certain Fire Losses (Paragraph B.2.) applies to property located in the following state(s):
Missouri
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** The following provisions are added to the Businessowners Policy and apply to Property and Liability Coverages:

1. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

- a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
- b. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

- 2.** The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for loss or injury or damage that is otherwise excluded under this Policy.

- B.** The following provisions are added to Businessowners Standard Property Coverage Form **BP 00 01**, Businessowners Special Property Coverage Form **BP 00 02** or **Section I – Property** of Businessowners Coverage Form **BP 00 03**:

2. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.1.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense Additional Coverages.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.
